## Requested Action

Extend the terms of the representatives of the NCEC to the NRP Policy Board through July 22, 2016.

## Background

In July 2015 the Commission appointed the following members to the NRP Policy Board: Debra Behrens, David Boyd, Nasser Mussa and Francisco Segovia. The terms of appointment were to run through June 2016.

New appointments to the Policy Board will not be made until the July 22<sup>nd</sup> Commission meeting. To avoid a lapse in representation on the Policy Board for its July meeting, it is recommended that the terms of the current four appointees be extended through July 22<sup>nd</sup>.
